Re: Progress Report No. 1 – November 1, 2013
Wedron Silica Company; Technisand, Inc.; and Lockheed Martin Corporation,
Respondents Docket No. RCRA-05-2013-0011

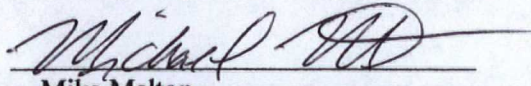

Dear Mr. Faryan:

Pursuant to paragraph 66 of the Administrative Order on Consent (AOC) in the above-referenced matter, Respondents Wedron Silica Company, Technisand, Inc., and Lockheed Martin Corporation (Respondents) hereby submit Progress Report No. 1.

During the relevant time period from the Effective Date of the AOC (September 25, 2013) to November 1, 2013, Respondents have performed the following activities pursuant to the AOC and the associated Workplan:

October 10, 2013	Respondents' Designation of Mike Melton as Project Coordinator
October 15, 2013	Respondents' Submission to USEPA of Draft Quality Assurance Project Plan and incorporated Data Quality Objectives and Submission to USEPA of Health and Safety Plan

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
